DEFINITIONS

- **Business Day**—Monday through Friday from 12 a.m. to 11:59 p.m. Mountain Time (MT) each day (excluding New Year’s Day, Alberta Family Day, Good Friday, Victoria Monday, Canada Day, Labour Day, Thanksgiving Day, Christmas Day, August 1st Civic Holiday and Boxing Day).
- **Examination date**—Day 0.
- **Received by WCB**—The date the information is received (and automatically timestamped) by WCB. Please note that this is not the date the nurse practitioner completes the report or submits it to a vendor.
- **Same-day report submission**—The report is received by WCB on the same date as the completed examination, which includes up to 10a.m. Mountain Time (MT) the following business day.
- **On time report submission**—The time when WCB receives a report. This does not refer to the time when submitted by the nurse practitioner.
 - **NP first report**—The report is received within three business days from the date of the completed examination up until 10a.m. Mountain Time (MT) on the fourth business day following the completed examination.
 - **NP progress report**—The report is received within four business days from the date of the completed examination up until 10a.m. Mountain Time (MT) on the fifth business day following the completed examination.
- **Late report submission**—The report is received by WCB any time after the designated on time report submissions.

CLASSIFICATION OF WORK CAPABILITIES

Limited work - Exerting up to 5 kg (11 lbs) of force.

Example: An occupation where the Worker sits most of the time, and only walks or stands for brief periods.

Medium work - Exerting up to 20 kg (44 lbs) of force.

Light work - Exerting up to 10 kg (22 lbs) of force.

Example: Walking or standing to a significant degree, or sitting constantly but with arm and/or leg controls with exertion of force greater than limited.

Heavy work - Exerting over 20 kg (44 lbs) of force.

Frequency:

Never - 0% of the day

Occasional - 1-33% of the day (includes the frequency of "rare" which is 1-5% of the day).

Frequent - 34-66% of the day

Constant - 67-100% of the day.

Reference: National Occupational Classification Career Handbook (NOC-CH).
