Average time away from work

16.4 days

Return-to-work outcomes

98.7%

Accepted fatality claims

28

¹ Not accepted claims include:

- illness not arising out of/in course of employment
- not covered under *Workers' Compensation Act*

² Other claims include:

- pending (a decision has not been made yet)
- processed (a claim has been registered and medical costs are being paid, but the claim has not been reviewed for a decision)
- medical investigation (further medical assessments are required before a decision can be made)

³ Based on confirmed COVID-19 claims where an entitlement decision has already been made

⁴ Other includes claims from sectors not yet assigned as well as sectors with fewer than five claims in a category (to protect individual privacy)
