The 2020 Policy Project Plan includes:

1) Annual policy updates:

- Cost-of-living adjustments;
- Travel and subsistence allowances;
- Funeral costs; and
- Clothing allowance for severely injured workers who use assistive devices.

2) Completion or continuation of ongoing policy 2019 projects:

- Employer Policy Review – employer accounts and premiums;
- Permanent Total Disability review; and
- Medical Cannabis Policy

3) New policy review projects: to be confirmed
