[CPSA Physician Details](#)

Qualifications

Dr. Aulakh is the founder and director of an addictions clinic, Savera Medical Centre, in Edmonton, Alberta. He focuses on treating opioid, alcohol, and other substance abuse disorders along with providing psychiatric evaluations for non-substance related addictions and comorbidities.

Dr. Aulakh completed his medical training at the St Petersburg States Medical Academy in Russia and was granted the Doctor of Medicine degree in 2000. He completed his psychiatry residency at the University of Alberta in 2014 and was made a fellow of the Royal College of Physicians and Surgeons of Canada in 2014. He received a Fellowship in Forensic Psychiatry (2015). He is a Diplomate of the American Board of Addiction Medicine (2015) and the Royal College of Physicians and Surgeons of Canada in Addiction Medicine (2024).

He served as the Medical Lead for the Opioid Dependency Program (2015) and the Clinical Lead at Addiction Services from 2015 to 2019, as well as the Section Chief of Addictions for Alberta Health Services North Zone from 2016 to 2019. He has served as a Clinical Lead for the Injectible Opioid Dependency Program (2019). He is a Psychiatry Lead at the iRecover Centre as well as the Her Recovery Treatment Centre (2020 to present). He is also the President and Founder of the National Advocacy of Substance Abuse and Harm Reduction in Adults and Adolescents (NASHAA).

In his free time, he enjoys playing golf, volleyball, engaging in community work, and spending time with his family.

- 18 yrs practicing as a Specialist
- 14 yrs experience as an Independent Medical

Examiner [CPSA Physician Details](#)

Qualifications

- MD Doctor of Medicine, University of Saskatchewan, 2001
- LMCC - Licentiate of Medical Council of Canada, 2002
- FRCPC - Fellow, Royal College of Physicians of Canada - Psychiatry, 2006
- Diplomate in Behavioral Neurology and Neuropsychiatry

Dr. Quickfall is originally from Saskatchewan. He completed his undergraduate medical training at the University of Saskatchewan in 2001 and his postgraduate training in Psychiatry at the University of Calgary in 2006. Since then, he has been a Clinical Assistant Professor at the U of C Cumming School of Medicine and clinical staff in the AHS Calgary Zone Department of Psychiatry.

In his postgraduate training and early career, Dr. Quickfall published numerous articles dealing with psychiatric aspects of neurological conditions and the neurobiology of addiction. In 2010, he obtained his subspecialty certification in Behavioral Neurology and Neuropsychiatry (through the United Council of Neurological Subspecialties).

He has been involved with undergraduate and postgraduate medical education throughout his career up to the present. For the first ten years of his career, Dr. Quickfall was a consulting psychiatrist on the Psychiatric Consultation-Liaison Service at Foothills Medical Centre, which provides psychiatric services to patients on medical and surgical units at Southern Alberta's largest hospital.

Dr. Quickfall's present clinical duties involve outpatient psychiatric care with the Southern Alberta Movement Disorders Clinic (primarily to patients with Parkinson's and Huntington's disease and other neurological disorders), Foothills Brain Injury Clinic, and the Arnika Centre for Developmental Disabilities and Mental Health. He also provides psychiatric support to younger adult patients living in care facilities throughout Calgary.
